

A DIFFERENT WAY

A large excavator arm with a black hydraulic breaker attachment is shown in the foreground, positioned over a large pile of rubble and debris. The background shows a multi-story building under demolition, with a hazy, overcast sky. The overall scene is in shades of blue and grey, with some warm tones from the excavator's arm.

THE ESSENTIAL GUIDE FOR DEMOLITION

VTN EUROPE

COSTRUIRE CON PASSIONE CONSTRUCTING WITH PASSION

Quella di **VTN Europe** è la storia di una famiglia e della sua azienda che, con orgoglio, può raccontare di un percorso incostante crescita lungo ormai 45 anni.

Dagli esordi - nel lontano 1973 - nell'abitazione del fondatore, Nerio Vaccaro, al moderno stabilimento di Poiana Maggiore, in provincia di Vicenza, di strada ne è stata fatta tanta.

Alla guida della compagine troviamo oggi i figli di Nerio, Antonio, Matteo, Elisa, e nel ruolo di Presidente, la moglie, sig.ra Doris Lunardi.

Unita, la famiglia Vaccaro porta avanti principi e valori di un lavoro iniziato con passione e sempre gestito con professionalità, competenza e voglia di crescere.

The story of **VTN Europe** is that of a family and its company that can speak with pride and passion of a path of constant growth by now for 45 years.

From the beginning - back in 1973 - in the garage of the home of the founder, Nerio Vaccaro, to the modern production plant of Poiana Maggiore, in the province of Vicenza, a long way has been covered.

Today, at the head of the management team we find the son's of Nerio, Antonio, Matteo and Elisa and in the role of President his wife, Ms. Doris Lunardi. United, the Vaccaro family continues the legacy principles and values of a work started with passion and always managed with professionalism, competence and the desire to grow.
